

KING JAMES'S SCHOOL

KNARESBOROUGH

10th January 2017

Dear Parents/Carers

I am writing to thank you for all your support with last summer's enrichment week, in particular, the 10-mile walk. As you will have seen from the Chaloner magazine, this was a fantastic event, which was enjoyed by all those who took part. The 'big walk' was a huge achievement for so many of our students and really was a fitting celebration of our 400-year anniversary.

The walk was also a sponsored event and one of our aims was to raise money for the Harrogate Homeless Project, The British Heart Foundation and WaterAid. I am pleased to announce that the grand total we raised was £7,442.81, which will be divided equally between the three charities. This really is a fantastic achievement on so many levels and I would like to take this opportunity to thank all parents, relatives and friends of King James's School who supported this event.

Yours faithfully

Mrs P Eastaugh
(Head of Geography/Enrichment Coordinator).
