Dear Parent/Carer

I am writing to let you know about a range of educational magazines which are available on subscription through the Languages Department at King James's School. The magazines are produced by the highly respected educational publisher Mary Glasgow Publications (MGP) www.maryglasgowplus.com, and are available in three languages - French, Spanish and German.

The magazines contain a variety of activities presented in a bright and appealing way. There are short stories presented in cartoon format, up to date information about celebrities, sports and other aspects of French, Spanish or German culture, as well as games and puzzles. The magazines are colourful, well-illustrated and designed to appeal to young language learners. Here at King James's we feel that they offer a valuable opportunity for your child to reinforce and extend their language learning in an enjoyable and interesting way.

If you choose to take out a subscription, your child will receive five 16-page magazines in your chosen language over the course of the academic year, with accompanying listening materials in MP3 format and unlimited access to online activities. Because we are a school, we are able to obtain subscriptions at a reduced rate. The cost for a one-year subscription to the magazines is **£9.65**.

If you wish us to take out a subscription on behalf of your child, please complete and return the form below by Friday 22 September, indicating your child's form and language teacher(s), and whether you would like to receive the magazines in French, Spanish or German, and at which level.

Payment for this subscription should be made online through ParentPay (www.parentpay.com).

Yours faithfully
