

# KING JAMES'S SCHOOL

KNARESBOROUGH

5<sup>th</sup> October 2018

Dear Parent/Carer

## YEAR 11 PARENT SUPPORT EVENING

We are writing to invite you to an *Exam Support Evening* on **Tuesday 23<sup>rd</sup> October 2018** from 6.00pm – 7.30pm in S1. The exam period can be a stressful time for students and their families; it can be difficult to find the best approaches to help them through the challenges of preparing for such an important time in their lives. Join us for an evening specifically for parents/carers where we will explain how you can best support your child in preparing for linear exams.

The format of the evening is three short presentations:

- Making learning stick – strategies to support your child with revision and exam preparation.
- English, Maths and Science presentations on how best to revise these subjects.
- Supporting your child through the stress of the exam period

With Mock Exams looming and the GCSE exams just seven months away, your child should have started to address changing their studying habits. Over the next few months they should aim to spend between thirty minutes to an hour per subject per week depending on how much they have to cover.

**There will be an information pack covering all the subjects studied at GCSE to collect on the night too.**

We look forward to seeing as many of you as possible on Tuesday 23<sup>rd</sup> October 2018

Yours faithfully

**Mrs C Rees**  
Year 11 Learning Manager
