17 January 2018

Dear Parent or Carer

**YEAR 11 INTO YEAR 12 TRANSITION –
MOVING UP DAY ON THURSDAY 1st FEBRUARY 2018**

Following our Sixth Form Open Evening on Wednesday 10th January, the next event for Year 11 students will be our Moving Up Day on Thursday 1st February.

The aim of the day is for students to get a taste of level three A Level courses and Post-16 Options. This will be useful in helping them make their course choices and completing their application forms. The event will last all day and students will have selected various lessons or sessions to attend. This will allow them some flexibility in their choices. The day will be non-uniform but we ask that students attend in smart business dress to allow an atmosphere of purposeful learning to be achieved.

We very much hope that students will find the Moving Up Day useful and enlightening and will enjoy being able to use the Sixth Form facilities for the day.

Yours faithfully

John O'Hara
Director of Sixth Form

Lucy Hazelton
Alternative Curriculum Co-ordinator
