4 May 2018

Dear Parent and Student

As you will be aware, the summer term is a busy one for Year 12. Students are continuing to work hard in their subject areas, and are being encouraged to think about their options for when they leave King James's School. A busy and exciting time.

The Year 12 mock examinations will be taking place between 2 and 13 July. It is vital that students undertake a thorough revision programme and prepare for these exams. I hope that the recent Learning Cycle data has helped to inform you of current progress and areas for development.

I would also like to remind you of some other important dates for Year 12 students:

- 19 & 20 June Visit to Leeds Trinity University
- 27 June Visit to UCAS Higher Education Exhibition at Leeds Beckett University
- 28 & 29 June Post-18 Options activity days at King James's
- 20 July End of Term

As ever, please encourage your son or daughter to speak to their Form Tutor if they have any concerns. Students can also speak to their Learning Manager by making an appointment through Mrs Dobson.

Thank you in advance for working with us to ensure mock examination preparation is as thorough as possible and all remain calm and focused.

Yours faithfully

John O'Hara
Director of Sixth Form
