Dear Parent/ Carer

YEAR 12 MARKER PEN PURCHASE

As part of your son/daughter's A-Level Product Design course we will be teaching marker-pen rendering. This is an industry standard technique used to enhance design ideas and elevate the level of our students' portfolio of work.

The Design & Technology Department offer a full set of pens at a wholesale price of £14.50 per student and these should last for the duration of the course.

This item has been added onto your Parentpay account. Please don't hesitate to contact me on the enclosed number should you have any queries.

Yours sincerely

Mr A Bolger
Head of Design & Technology
