September 2018

Dear Parent/Carer

REVISION MATERIALS: GCSE MATHEMATICS

As your child begins their final year of the GCSE course in Mathematics, I felt this would be a good time to write to you to remind you about some of the help and support available to them and to offer you another opportunity to purchase revision guides if you missed out last year.

Your child will be sitting AQA GCSE Mathematics (specification 8300).

Listed below are sources of help for pupils which we recommend:

- CorbettMaths.com – This website has a wide range of video tutorials, worksheets and textbook exercises to help pupils practice skills learnt in school
- [Course Textbooks](#) – These are accessible in PDF format from the Maths page of Fronter
- [CGP Revision Guides](#) – We are able to sell these at a special school-rate which is substantially cheaper than buying on the high street. We are offering all pupils the chance to buy a bundle of Revision Guides and Workbook with Answers for £5.08. Ordering and payment for these should be made online through ParentPay (www.parentpay.com) by **Friday 28th September**.
Please tick the consent box.

If you have any queries regarding your child's Mathematics or the above information, please direct them to your child's Mathematics teacher in the first instance.

Yours faithfully

Miss E Bowe
KS4 Mathematics Coordinator
