

King James's School, Knaresborough

Information for parents

Learning Cycle 1: 14th September – 20th November 2020

'We set no limits on what we can achieve'

Our expected school Values at King James's School are for our students to be **READY, RESPECTFUL & ENGAGED**
Please support us by embedding these values throughout Learning Cycle 1

PARENT BULLETIN

We believe it is important students are ready to learn.

- Please establish consistent morning routines at home.
- Ensure your child brings to school the books and equipment they need for the day.
- Students should arrive at school no later than 8.40am. Any students who arrive to school after this time will be classed as late and a consequence will follow.
- We encourage you to monitor punctuality to school by logging into your My Child at School account.

We believe it is important that students show respect for themselves, their peers, staff and members of their local community. We promote this through our tutoring programme.

- Please support us by discussing with your child the weekly tutoring themes and encourage them to complete the weekly tasks. [Click here](#).
- Please monitor your child's behaviour logs on My Child at School and celebrate the positives and discuss areas of improvement.

We believe that your child will make progress with their learning if their attitude to learning in lesson is consistently good.

- Please support us by familiarising yourself with our Attitude to Learning criteria and encourage your child to value the importance it has in their education. [View here](#).
- Your child's Learning Cycle 1 report will be available Monday 7th December.

My child at school

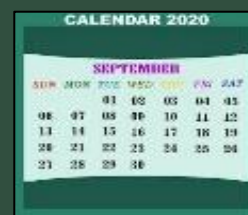

My child at school (MCAS) is an excellent way of keeping up to date with your child's progress.

Please ensure you are able to access your MCAS account. If you have any problems logging into your account please contact Reception
