20 JUNE World Juggling Day

World Juggling Day is held annually on a Saturday closest to June 17 to commemorate the anniversary of the foundation of the International Jugglers Association (IJA) in 1975.

Why not try your hand with juggling. Just make sure, you start with small items. So **no** sharp or heavy items, ok?

Did You Know... the earliest record of juggling objects dates back to 15th century Egypt?
