

Post-18 Options

A 'Guide to UCAS Applications' will be sent to your school email next week. It will contain guidance on writing your personal statement and instructions on how to register and apply via the UCAS apply website, how to apply to a conservatoire and a timeline of the KJS deadlines.

Keep checking your school email!

Making the Most of a
University Virtual Open Day
– a guide for students

Newcastle Uni are offering a range of interactive sessions to help in your Post-18 research.

Student Life - 25th June - 2pm

**Budgeting Bonanza - an interactive budgeting game –
9th July - 2pm**

These sessions can be booked via the [Newcastle Uni website](#) and is well worth checking out.

[University of Leeds offering STEM on-line taster courses in Food Science and Nutrition: From the Farm to You](#) | [Ecology and Wildlife Conservation](#) | [Atmospheric Chemistry: Planets and Life beyond Earth](#) | [Exploring Cancer Medicines](#)

CyberFirst Advanced is a free
Online course aimed at
Students in Year 12

LEARNING

The course will be focus on developing the skills and behaviours required for entry into the cyber or computing workplace. This course is designed to expand the knowledge of students who are already studying computer science or who have an interest and aptitude for computers.

To attend one of these virtual courses students will require access to a computer and an internet connection. Students will be sent information in advance to help confirm they have all that is required for the course.

PwC's Virtual Classroom - a virtual programme open to students between Years 10 and 13

The programme combines both live and pre-recorded sessions which will provide you with an insight into PwC and an opportunity to develop your employability skills. You'll also have the chance to engage with a range of PwC ambassadors through the interactive live sessions, whilst having the flexibility to watch and listen to the recorded sessions at a time best suited to you each week. We recognise that you'll continue to have school or college commitments during the four-week period so we've made the virtual programme as flexible as possible.

Looking after yourself...

We will keep the [wellbeing page](#) on the Sixth Form section of the website updated with information to help you look after your mental health and wellbeing while school is closed.

Please check the [main school information page](#) for the latest information.

Sky Academy Studios
#keepconnected

[#keepconnected](#)

We're all living and learning differently right now so it's important to #keepconnected. We want young people to create a video to tell us their lockdown story. It's a great way to share how they're feeling.

Be sure to get your entries in by **Monday 29th of June** for a chance to win a free filming kit for your school.
