KING JAMES'S
SIXTH FORM

You have all done a fantastic job adapting to remote learning over the last few weeks.

We hope that you have a fantastic Easter break.

We look forward to taking your learning forward next term!

Mrs Burt & Ms Watson

I know this is a time of great uncertainty with regards to your sixth form studies, qualifications and plans for life after sixth form.

We are all working hard to set up systems to support you and provide you with the latest information when it becomes available. Although we might not be able to come together in the Sixth Form Centre we are all still part of that amazing community and must remember to pull together and be there for each other.

Remember to be kind and supportive to your families and friends and also remember that the Sixth Form team and the wider school staff are here to help and support you if you need us.

I hope you and your families have a restful and healthy Easter.

Mr O'Hara
