Q & A's and Virtual Open Days

Normally at this time of year we would have taken you to a UCAS Exhibition at Leeds Beckett where you would have had an opportunity to see lots of different uni's and talk to their Graduate Ambassadors. As these have been cancelled, uni's are holding live Q & A sessions so you can find out about what they offer and ask any questions you may have.

Northumbria University - The event will take place from **9am-3pm** on **Wednesday 29th April**.

During the event you will be able to log on at a time that suits you and ask any questions you have through the live chat feature. The Graduate Ambassadors will also answer some of the most commonly asked questions at events which may be applicable for you.

If you are interested in attending the virtual event you can register [here](#) and you will be sent a link prior to the event. We'll be going live at 9am on both days – we hope to see you there.
