

# Message from the Sixth Form Team

KING JAMES'S  
SIXTH FORM

Issue #1

Friday 3 April 2020

Hello to you all

'It wasn't meant to end this way' seems to sum up how we all feel about the end of your year 13 and school experience. I wholeheartedly wish that it could have been different but, sadly, it is as it is. I hope you are all managing to stay calm and keep safe during this difficult time. I also hope that you are able to stay in touch with each other, I am on the end of my school email should you want/ need anything.

At some point (and hopefully soon) we will be through all this we will all be able to move forward again, you onto the next stage.

Until then, keep going the best you can and take care. Mr C

I know this is a time of great uncertainty with regards to your sixth form studies, qualifications and plans for life after sixth form.

We are all working hard to set up systems to support you and provide you with the latest information when it becomes available. Although we might not be able to come together in the Sixth Form Centre we are all still part of that amazing community and must remember to pull together and be there for each other.

Remember to be kind and supportive to your families and friends and also remember that the Sixth Form team and the wider school staff are here to help and support you if you need us.

I hope you and your families have a restful and healthy Easter.

Mr O'Hara

## Looking after yourself...

We will keep the [wellbeing page](#) on the Sixth Form section of the website updated with information to help you look after your mental health and wellbeing while school is closed.

Please check the [main school information page](#) for the latest information.

## Leavers Arrangements – Update

You may have heard from Maddy and Jakub about what's happening with your yearbook, ball and hoodies.

**YEARBOOK** – This is going ahead as planned. Will confirm how we are going to hand them out once things have improved.

**LEAVERS' BALL** – Unsurprisingly, this was cancelled by the hotel. They have kept our booking live and will hold the event for us at a date in the future if that's what you as a Year group want.

**HOODIES** - The ordering process for these has been put on hold for the moment. As things improve we will look at ordering them. Again, if that is something you would like to do in the future.

# Happy Easter
