KING JAMES'S
SIXTH FORM

Issue #8

Tuesday 9 June 2020

Hello all,

Hope you are all well and managing to avoid the rain!

At this point my task is to remind those of you applying to university to make your choices and complete the student finance applications so they are done in good time for next academic year.

Can I also ask that you [complete the survey by following the link](#), it is our way of checking all is ok and it will save you from getting emails and phone calls from me!

It appears as if some of the restrictions are easing and more shops will be opening soon. For some of you this will be very welcome, some of you will undoubtedly feel anxious about it. Remember we are here to listen and help if we can, so if you feel you need to talk you can make contact and have a chat.

Once again, stay safe and look after yourselves and each other.

Mr C

Thanks for jokes Mr C (I think!)

Time flies like an arrow. Fruit flies like a banana.

Two hats were hanging on a hat rack in the hallway.
One hat said to the other: 'You stay here, I'll go on a head.'

NCS - A YOUTH PROGRAMME LIKE NO OTHER

Designed specially for 16 and 17 year olds, the [NCS](#) experience will give you a clearer idea of what you want from your future.

We'll help you realise that big, exciting things can come from feeling a little bit overwhelmed.
...No, seriously, it's all good. Remember, No. We. Can. Show yourself exactly what you're made of!

On NCS, you'll mix with a new crowd, and take on fresh challenges together. Before you know it, you'll be rooting for each other, as you all tackle your own little hurdles.

Along the way, you'll also get a taste for independence and pick up skills that'll help you smash your future goals.

And if that's not enough for you, you'll also be given a platform to have your voice heard and pursue a passion project.

The NCS experience might last just a few weeks, but the impact? That lasts a LOT longer.

Over 500,000 people have already done [NCS - want to join them?](#)

THINGS ARE A LITTLE DIFFERENT THIS YEAR

Our summer programme is going to be a little bit different this year. But is that going to stop us from turning 'no you can't' into 'No We Can'? Absolutely not!

Whilst social distancing is still necessary, why not check out our [Staying Connected hub](#).

And as things begin to ease and we start getting back to normal, why not pledge your support to [Keep Doing Good](#) and help the country get back on its feet.

Looking after yourself...

We will keep the [wellbeing page](#) on the Sixth Form section of the website updated with information to help you look after your mental health and wellbeing while school is closed.

Please check the [main school information page](#) for the latest information.
