KING JAMES'S
SIXTH FORM

Issue #11

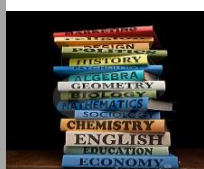

Tuesday 30 June 2020

Hello all,

Last Friday was the date of your Leavers Ball, how many of you remembered? We all did and swapped messages lamenting the fact that we couldn't all share your big night! Hope you weren't too disappointed to miss it, my understanding talking to some of you is that you are beginning to manage meeting up in small groups, which must be lovely after a long time apart.

As always stay safe and look after each other.

Enjoy this week's jokes. Mr C

Know Before You Go

University can be a very exciting time in your life, but it can also be a big change from school or college. It is normal to face challenges as you transition from one part of your life to another. By knowing what to expect and having a resource to help you navigate the ups and downs, you're setting yourself up for success over the next several years.

Know Before You Go is an e-resource that is intended to support you, as you transition from school university.
