Dear Parent/Carer

YEAR 13 TEXTILES DESIGN 2020/21

This year for their coursework in Textiles students will be completing many different sample pieces, this will entail completing some of the following techniques: sublimation printing, applique, reverse applique, hand embroidery, free hand machine embroidery, couching, tie-dye, batik, stenciling, silk painting, quilting, collage, fabric manipulation, transfer printing, block printing and further samples of their own choice. We will provide all materials for these samples, but we are asking for a contribution towards the cost of these. The overall contribution we are asking for is **£10** this will provide students with all of the materials required for the samples.

If you wish to purchase these through school payment should be made online through ParentPay (www.parentpay.com) **by Friday 11th September.**

If you would prefer to buy the materials yourself, please get in touch and I can provide a detailed list of materials.

Please do not hesitate to contact me if any further information is required.

Yours sincerely
