

KING JAMES'S SCHOOL

KNARESBOROUGH

September 2020

Dear Parent/Carer

A LEVEL GEOGRAPHY TEXTBOOK AND WORKBOOKS HODDER EDUCATION

Hodder Education have published a TECbook and workbooks that support the A Level Geography AQA specification. The TECbook is an online version of the textbook that we use in class and allows students to have individual access to the textbook and make online revision notes alongside the text. The workbooks are an excellent resource with exam style questions to support students with their revision. We recommend that students have copies of the workbooks and **either** the textbook or TECbook so that they have access to these books at home.

The cost of the books are discounted if they are purchased through school. There is no need to purchase the TECbook and the textbook. Students will need to use **either the TECbook or the textbook.**

| | |
|--------------------------------|--------------------------------|
| TECbook two year subscription | £12.00 (includes 25% discount) |
| Textbook | £29.99 (includes 25% discount) |
| Workbooks (Human and Physical) | £8.50 (includes 33% discount) |

If you would like your son/daughter to purchase these resources please do this online through ParentPay (www.parentpay.com). The deadline to pay is Friday 25th September 2020.

Yours sincerely

Mrs Paula Eastaugh
Head of Geography
