

4 December 2009

Dear Parent

It has come to our attention that there is an omission in the 2009-2010 Sixth Form prospectus. This has caused some confusion for students, parents and staff.

CLARIFICATION:

**The results table on page 41 is missing a third table. Table 1 contains the final examination results for all our final year A Level students (Year 13). The second table contains the additional AS results for the same group of students (i.e. students who have achieved AS grades in addition to their full A Levels.)**

**The final table which contains the AS results for our Year 12 student is missing.**

**To rectify this I have provided a copy on the reverse of this letter. The correct results are also available on the school's website.**

I apologise for any confusion and would like to re-iterate the points I made in my presentation concerning the strength of the subject teaching and student performance.

Yours faithfully

**Stuart Giles  
Director of Sixth Form**
