ACTIVITIES FOR BOYS...

FOOTBALL

The senior football team have enjoyed a solid start to the season with only one defeat to their name. The side remain in the county cup and hope to make a real go of the area cup again this year after losing their grip on the trophy last year. The team have progressed well from last year with goals being scored from all areas of the pitch with Ben Blackwood stepping up from the year 11 side being the top scorer! Meanwhile at the back is where the team have set a solid base to build upon with Joel Ainsley, Gaz Sowerby and Lewis Chadderton keeping the conceded goals to a minimum. Also Tom and Gaz Sowerby made it into the county side.

RUGBY

The start of the rugby season was fairly tight, the squad seemed to be quite strong, and they had plenty of silverware to play for, so hopes were high for the season. Although the team have lost all but one game, moral was still high as they only narrowly lost to best in the county, Harrogate Grammar, who are a big rivals, the score was 9-3. The win came against a weaker opposition at Hayfields School in Doncaster with Greg Minikin man of the match with and excellent couple of tries. The team King James's fielded was 2 men light, and later lost Lewis Minikin to a yellow card through a dangerous tackle and Rory Ashman to supposed foul play at the breakdown. The 12 men performance was very promising from the boys and saw them through to the next round. The dream of the cup was short lived however as Harrogate Grammar were drawn in the next round, the defeat was heavy and bad results followed with Barnsley College and Richmond progressing through to further rounds. The injuries of Conal Browne and Tommy Elliot weren't helpful, but the Christmas break is a welcome sight for the team to re-gather and get back at it in the New Year.

The footballers are having their best season yet. They have managed to get to the last 16 schools in the country in the National Cup.
