## Visit to Beth Shalom Holocaust Centre

KJS RS department took 50 students to Beth Shalom Holocaust Memorial museum on Wednesday 4th July. We were so lucky to be able to listen to Janine Webber's testimony. Janine delivered her testimony to 50 students at the age of 93. Her story was compelling; one of kindness, courage, and suffering. A testimony that was heartfelt by all who attended.

Our students were superb and asked some very poignant questions. They were a credit to the school.

The opportunity to hear these testimonies is becoming harder as the years pass, but these remarkable, heartbreaking stories of children in the Holocaust are an important historical record of the tragedy of the holocaust and a tribute to those who survived.

We are running another trip on the 15th July with 50 more year 9 students.

## Boxing Champion

We are incredibly proud to share the fantastic news that Year 11 student Eddie L has been crowned Yorkshire Junior Under 75kg Champion following his recent success at a major boxing event held on Friday 30th May. The event, hosted at Ripon Bowling Club and overseen by Boxing England, brought together top young talent from across the region.

Eddie, representing H Hour Boxing Club in Harrogate, put in an outstanding performance to secure a unanimous decision victory in a hard-fought contest.

Eddie has been boxing since the age of 9, and this latest success marks a significant milestone in his sporting journey. His coaches praised his determination, discipline, and skill, which earned him not only the title but also the respect of his competitors.

Congratulations, Eddie – a truly well-deserved win and a brilliant example of hard work paying off!

## Student Achievement

Oscar M in Year 10 has been competing in sailing dinghy racing since the age of 9. This year he will be competing in various regional championships. His main events will be the Topper National Championships at Largs Scotland and the RS Feva National Championships at Dalgety Bay, Scotland.

Oscar is a member at Ripon Sailing Club (just outside Knaresborough) which can provide beginner sailing courses and race coaching.

## Thought for the Fortnight

The Thought for the Fortnight for the week beginning 2nd and 9th June is linked to PRIDE month.

“Human rights are universal, indivisible and interdependent. They are not reserved for the few – they apply to everyone, everywhere. It is essential to reaffirm this fundamental principle and join forces to make it a reality.”

- Key Takeaways are:
- Human rights belong to everyone.
- All Human rights are equally important. They can't be separated or ranked.
- Human rights must constantly be protected and promoted.
- Achieving true equality and justice requires teamwork.

## **\*\* Free School Talk For Parents Who May Be Dealing With EBSA \*\***

**Monday 23<sup>rd</sup> June 7 -8:30pm  
Sixth Form Common Room**

# **Understanding Emotionally Based School Avoidance (EBSA): A Collaborative Approach with Lisa Poole**

The term *school avoidance* doesn't always capture the full picture of what some children are going through. Emotionally Based School Avoidance (EBSA) is a complex and deeply felt experience — it's not about a child simply refusing to go to

school. For many families, it's not a matter of "won't" but "can't."

If your child finds attending school difficult, you're not alone. And it's not a failure on anyone's part—not the child's, not the parents', and not the schools. Instead, it's a signal that something needs attention, curiosity, and compassion.

This session invites parents into a shared space of understanding. Together, we'll explore some of the emotional and neurobiological reasons behind EBSA, offering insight into what children might be trying to communicate through their distress and how we can support them going forward.
