

2021 - 2022 Sociology Mock Revision Diary

Year 13 Mocks will be held w/b 28th February and w/b 7th March

In the mock you will sit paper 1 and 2.

Paper 1: 2 hours 'Education with theory and methods'

Paper 2: 2 hours 'Families' and 'Beliefs'

My suggestion is you focus your revision on Education and Families with some methods. If you broadly follow this revision schedule you will cover these topic areas in broad brushstrokes by the mocks. A little and often now will be really beneficial to you when you come to revise for the final exams.

The Schedule below is designed to focus your attention on each small topic area. The essay questions I have included are an indication of the kind of question you are likely to be asked on each topic area. Guidance on how to answer these questions is given at the end of each topic area in the textbook.

You are also advised to test yourself using the quick check questions at the end of each topic in the text. The answers to these quick check questions are available on the student activities section of the Napier press website

I will send you PowerPoints and further revision materials/questions in the weeks to come.
