

AQA A Level Physics

Year 2

17. Motion in a Circle

19. Thermal Physics

18. Simple Harmonic Motion

20. Gases

21. Gravitational Fields

26. Radioactivity

22. Electric Fields

27. Nuclear Energy

23. Capacitors

Option Topic (Astrophysics)

24. Magnetic Fields

Measurement & errors

25. Electromagnetic Induction

ASSESSMENT: 100% examined—3 exams each 2 hours long

Paper 1 (85 marks)—all year 1 topics plus year 2 topics 17 and 18 (34%)

Paper 2 (85 marks)—all paper 1 knowledge assumed plus all year 2 topics (34%)

Paper 3 (80 marks)— Practical skills, data analysis & optional topic (32%)

Continual assessment over years 1 & 2 for award of Practical Endorsement
