The study of global population patterns and population in the UK	The study of Antarctica which is our last remaining wilderness on planet earth.	The study of the physical and human geography of China	The study of hydrology and flooding

LEARNING CYCLES & ASSESSMENT			
Exam style assessment on Russia	Decision making exercise on the future of Antarctica	Exam style assessment on China	End of year exam
In addition to learning cycles you will be tested on your key vocabulary. You will be given lots of retrieval exercises to help you remember what you have learned.			

HOMEWORK
For every unit of work you will learn key vocabulary. You will be set research tasks and have to revise for learning cycle assessments

GUIDANCE ON HOW TO ORGANISE YOUR LEARNING
<ul style="list-style-type: none"> • <u>Learning journeys</u> should be stuck in at the <u>front of</u> each topic • <u>Glossaries</u> should be stuck at the <u>back of</u> your exercise book <p><u>Present</u> work neatly: write in blue or black pen and draw in pencil, always write the date and underline with a ruler</p>
