KNARESBOROUGH

Candidate Information

Note from the Headteacher

Thank you for your interest in working at King James's School.

I would say at the outset that this is a very rewarding school in which to work.

Many job adverts specify what they demand from the candidate. We have plenty of skills and qualities that we are looking for but we also have a lot to offer to prospective candidates. First and foremost the students here are great to work with. It is a comprehensive school and our students reflect the full range that you would find in any area. Although some pupils need more support, most of our students come to school eager to learn and to contribute to their school community. The local community is supportive of the school, the catchment area is well defined and we have excellent relationships with parents who choose to send their children here. There is pressure for places from beyond our catchment area. Knaresborough and North Yorkshire isn't just a great place to teach, it's a great place to live.

The extra-curricular life of the school is rich, most staff who work here make the most of it; there really is a vibrancy here that is difficult to match. We have a committed staff (teaching and non-teaching) who go the extra mile. Almost without exception, teachers go above and beyond the core delivery of lessons to enhance the enrichment opportunities for the students.

The ethos here is one of the strengths. Even though we have a charter going back to 1616 we are a very forward facing school with an open and friendly ethos. We are highly inclusive and we have a strong reputation for delivering outstanding care and outcomes for students with SEND alongside an enviable output to top university courses from our high-performing A level students. Our A level results place us in the top 20% of providers nationally consistently, year on year.

We are demanding of our staff, teaching and associate staff. We believe that our community deserves an outstanding school and we strive to be outward facing, never resting on our laurels and always seeking further improvement. We expect students and staff to embrace challenge and to see resilience and hard work as the route to success. At the same time we have a very strong commitment to the development and training of all staff, teaching and non-teaching. The opportunities for your personal development are rich in this school.

Thank you for considering King James's School.

The Examinations Team

King James's School are pleased to offer this rewarding opportunity to support our students during a key milestone in their education, ensuring the best possible outcome from their examination process.

Our Exams Manager and team of Invigilators deliver an outstanding service to our students during their formal examinations. They are enthusiastic and committed and have played a major part in helping our students to successfully sit their examinations and achieve the best results they possibly can by ensuring that the examinations run smoothly.

In 2016 King James's School reached a significant milestone of its own in celebrating its 400th year anniversary and is proud to have an excellent academic record. In the Ofsted inspection carried out in December 2017, the school continued to be rated as Good.

Attainment of our Year 11 students is consistently above national average. Students attaining at least a Standard Pass in Level 2 GCSE English and Mathematics was 80%. Progress 8 replaced previous progress measures with 0 being the national average benchmark. Attainment in qualifications has always been high at King James's, well above the national average. In terms of progress, our students made more than expected national progress in the last two years that were examined (2018 and 2019). This pattern was expected to continue prior to the cancellation of exams due to Covid.

King James's Sixth Form students also attain and progress well. Sixth Form admissions policy is more inclusive than many providers and, therefore, the ability profile of the cohort is very mixed. Nevertheless, pass rates remain similar to national figures. The A Level Value Added score for the school has been Significantly Positive, and increasingly so, for five academic years.

King James's School's examination facilities include two very large halls, Chaloner Hall and S1, along with designated smaller rooms to accommodate students with special examination arrangements.

Examinations are taken at various times during the academic year (generally January, February, March, May, June and December) so please note that these positions are seasonal.

There are no guaranteed hours which mean you will be working on a temporary ad-hoc basis. Working days and hours are flexible. The successful candidate will be reliable and punctual and it is essential that they have good availability during the examination periods.

The post would be ideally suited to applicants who feel a sense of responsibility for today's young people and who are able to work flexible daytime hours.
