Week 7 27/5/24	<b>General Revision and Exam Technique</b>			

We recommend that you follow the revision schedule set out for each week in preparation for your assessment in June. While revising you should:

- Create your own revision notes by choose the technique that works for you **or** ask your teacher or for suggestions if you are unsure.
- Put your class notes, homework's and text book information into a revisable format.
- Get someone to test you.
- Do exam practice which are available on the OCR website
- If you are already revising and have your own plan, you don't have to follow this plan.

**Revision: The following websites and YouTube channels are brilliant for revision:**

**Youtube Channels**

- Tutor2u
- EconplusDal
- pajholden

**Exam Technique – we would recommend that you watch the following to help answer questions**

**10 Mark Question**

**20 Mark Question**

**And finally**, remember that revision is not just about learning the subject theory. You must know how to write your exam answers.

**AO1** Demonstrate knowledge and understanding of the specified content.

**AO2** Apply knowledge and understanding of the specified content to problems and issues arising from both familiar and unfamiliar situations.

**AO3** Analyse economic problems and issues.

**AO4** Evaluate economic arguments and evidence, making informed judgements.
