We recommend that you follow the revision schedule set out above for each week in preparation for your exam in June. While revising you should:

To **revise content**, you should:

- Create your own revision notes by choose the technique that works for you **or** ask your teacher or for suggestions if you are unsure.
- Put your class notes, homework's and text book information into a revisable format.
- Get someone to test you.

To **practice exam technique**, you should:

- Do exam practice which are available on the OCR website or its learning. Use the mark schemes to help inform content and allocation of marks.

**Remember**

- If you are already revising and have your own plan, you don't have to follow this plan.
