We recommend that you follow the revision schedule set out for each week in preparation for your assessment in June. While revising you should:

- Create your own revision notes by choose the technique that works for you **or** ask your teacher or for suggestions if you are unsure.
- Put your class notes, homework's and text book information into a revisable format.
- Get someone to test you.
- Do exam practice which are available on the OCR website
- If you are already revising and have your own plan, you don't have to follow this plan.

Revision: The following websites and YouTube channels are brilliant for revision:
