# KING JAMES'S SCHOOL
KNARESBOROUGH

Candidate Information

Note from the Headteacher

Thank you for your interest in working at King James's School.

I would say at the outset that this is a very rewarding school in which to work.

At King James's School, our core values—*Ready, Respectful, and Engaged*—are at the heart of everything we do, shaping the attitudes and behaviours of our students and staff alike. Guided by our vision *"To set no limits on what we can achieve,"* we foster a culture of high aspiration and continuous growth. As a school grounded in unconditional positive regard, we believe that strong, respectful relationships form the foundation of effective learning and personal development. Our relationship-based approach ensures every student feels valued, supported, and empowered to thrive, while our staff are committed to nurturing an inclusive and inspiring environment where everyone can succeed.

.We have plenty of skills and qualities that we consider important, but we also have a lot to offer to prospective candidates. First and foremost, the students here are great to work with. It is a comprehensive school and our students reflect the full range that you would find in any area, but the vast majority are well-motivated students willing to learn and to contribute to their school community. The local community is very supportive of the school; the catchment area is well defined and we have excellent relationships with the local parents who choose to send their children here. We fill up each year with pressure for places from beyond our catchment area. Knaresborough and North Yorkshire is not just a great place to teach, it is a great place to live.

The extra-curricular life of the school is rich. Most staff who work here involve themselves in it; there really is a vibrancy here that is difficult to match. We have a committed staff (teaching and non-teaching) who go the extra mile. Almost without exception, teachers go above and beyond the core delivery of lessons to enhance the enrichment opportunities for the students.

The ethos here is one of the strengths. Even though we have a charter going back to 1616 we are a very forward-facing school with an open and friendly ethos. We are highly inclusive and we have a strong reputation for delivering outstanding care and outcomes for students with SEND, alongside an enviable output to top university courses from our high-performing A level students. Our A level results place us in the top 20% of providers nationally consistently, year on year.

We are demanding of our staff, teaching and associate staff. We believe that our community deserves an outstanding school and we strive to be outward facing, never resting on our laurels and always seeking further improvement. We expect students and staff to embrace challenge and to see resilience and hard work as the route to success. At the same time, we have a very strong commitment to the development and training of all staff, teaching and non-teaching. This is a school in which the opportunities for your personal development are rich.

We believe in collaborative working with other schools. We are proud of the relationships that we have fostered, including taking the lead role within the White Rose Alliance for School Direct. We are also federated with another local school, Boroughbridge High, for whom we provide 6th form provision and some non-teaching support.

Thank you for considering King James's School and we look forward to receiving your application.

Paul McIntosh
Acting Headteacher

KING JAMES'S SCHOOL
KNARESBOROUGH

Teacher of Computer Science and IT
Permanent, 0.8fte – 1.0fte
September 2025 start
MPS or UPS (suitable for ECTs)

We are seeking applications for an enthusiastic, imaginative and energetic Teacher of Computer Science and Information Technology. You will be joining a highly successful and supportive team. We would welcome applications for either 0.8fte or 1.0fte.

King James's School is a large 11-18 comprehensive school proud to offer a diverse and rich curriculum and is committed to high quality professional development and career opportunities for all staff. We run a School Direct secondary programme to train the next generation of teachers.

You will be joining a highly community orientated, inspirational and ambitious school. We are seeking an outstanding candidate to support our educational aims who has the vision, drive and interpersonal skills to motivate our students. You will benefit from strong leadership, effective support by colleagues and being part of an ethos that achieves the best possible outcomes for our students.

The Computing and IT Department is high performing and teaches through to Key Stage 5. You will be able to teach across the full age and ability range, including a considerable GCSE and Sixth Form commitment.

The school is committed to safeguarding and promoting the welfare of young people and expects all members of staff to share this commitment. This position is subject to an enhanced DBS check and approved references.

Full post details and an application form are available via our website. Completed applications must be submitted via email to: **recruitment@king-james.co.uk** and received by: **Wednesday 18th June 2025, 08.00am**.

Please note that CVs will not be accepted.

Information on the IT Department

Our IT resources are well funded and include 6 suites of 30 networked computers in each suite. We offer our students both computing and IT at GCSE and at A-Level. Due to recent developments in curriculum, we are very keen to employ a teacher who has prior experience in the teaching of Computer Science and/or has a Computer Science background although we will of course consider all applications.

The sustained performance within the department has been achieved by consistent improvement in the Teaching & Learning of computing and IT for all pupils of all abilities. The ability to have such a sharp focus on effective Teaching and Learning is made possible by the tremendous students at King James's. It is a comprehensive school with an intake of pupils from all backgrounds but by and large our classes are filled with well-motivated students willing to further their computing and IT learning and contribute to their school community.

In computing and IT we offer our students a wide variety of experiences, the department runs a drop in club every lunchtime which is staffed on a rota basis, other lunchtime clubs include computer gaming and also a coding club. There is always an after school catch-up or revision session going on and we are keen to employ somebody who could offer more to our students.

The IT department work as an innovative team - sharing ideas which are then embed into our practice, continually developing and changing or teaching styles together. Students in every year at King James's have dedicated computing lessons delivered by expert subject specialists. Your teaching at King James's will comprise of Computer Science at KS3, GCSE Computer Science (Edexcel) and A Level Computer Science (OCR), KS4 - Cambridge National in Creative iMedia (OCR). Teaching across the full age and ability range; your continuing professional development is also one of our priorities, and during your time here you will have opportunities to improve your practice and subject knowledge together with an expert team of experienced teachers.

How to Apply

Please complete the King James's School teaching application form.

Please use the section "Experience & Qualities relevant to the Post" on the application form to demonstrate how you can meet the criteria given in the advert.

Please note CVs will not be accepted. Please do not enclose a covering letter as this will not form part of your application.

We are committed to safeguarding and promoting the welfare of young people and expect all members of staff to share this commitment.

An Enhanced DBS disclosure is required for this post through North Yorkshire County Council. This will be arranged for the successful applicant.

Your completed application form must be submitted via email to recruitment@king-james.co.uk and be received by **Wednesday 18th June 2025, 08.00am**.

Thank you for your interest in this post. If you have not heard from us within 21 days of the closing date, assume your application has been unsuccessful and, in that event, may we wish you well in your search for a suitable position.
