

KING JAMES'S SCHOOL

KNARESBOROUGH

July 2025

Dear Parent/Carer,

I am writing to you to introduce our wide range of extra provision Music that we provide at King James's. We are an inclusive department that ensures every student has the opportunity to be part of high quality music education both inside and outside the classroom. In addition to classroom music, we have an experienced team of instrumental teachers who provide individual and group lessons on a variety of instruments. These lessons take place throughout the school day and work on rotation so that **your child will not miss the same lesson weekly**.

If your child currently has instrumental lessons at primary school and would like to continue having lessons here at King James's, you will need to complete an application form.

These can be found on our school website or via this link: [Application Form](#). The form will also be available to collect from the music department or reception.

Please return a completed paper copy to the music department or email admin@king-james.co.uk.

We also have an extensive range of extra-curricular ensembles that provides the opportunity to perform with musicians from all years in regular concerts. We are looking forward to welcoming our new Year 7's into our department.

I do hope that your child is looking forward to joining King James's.

Yours sincerely,

Mrs Rebecca Woodfine
Head of Music
