

YEAR 13 REVISION SHEET FOR GEOGRAPHY A LEVEL EXAMS

You will sit two exams this summer which require you to do **in depth revision** and **exam practice**.

- **Paper 1 12/05/26** Physical Geography 2 hours 30 minutes
- **Paper 2 21/05/26** Human Geography 2 hours 30 minutes

You need to make revision notes every week and this needs to be shown to both your human and physical geography teacher. Follow the attached learning journey and use the textbook and your folders to make detailed notes. Remember to do **USEFUL** revision – mind maps from memory, brain dumps, flashcards, practice papers. These techniques will make you think and test your knowledge. Don't just rewrite notes and highlight.
