

KING JAMES'S SCHOOL

KNARESBOROUGH

September 2026

Dear Parent/Carer,

We are delighted to invite you and your child to attend our Careers Fair, which will take place on Thursday 22nd October 4pm - 6pm in Chaloner Hall.

The Careers Fair is open to all students in Years 9, 10, 11, 12 and 13 and provides an excellent opportunity for young people to explore a wide range of future pathways. Representatives from local and national employers, colleges, universities, apprenticeship providers, training organisations and public services will be available to discuss career opportunities, qualifications and routes into employment.

As students prepare to make important decisions about their futures, events such as this play a vital role in broadening their horizons and helping them make informed choices about their next steps. We encourage parents and carers to attend alongside their child, as your support and involvement can make a significant difference in helping them consider the opportunities available.

The Careers Fair will provide students with the chance to:

- speak directly with employers and industry professionals.
- learn about apprenticeship and employment opportunities.
- explore further and higher education pathways.
- gain insight into different career sectors and industries.
- ask questions about qualifications, training and skills required for various careers.

We hope you will be able to join us and support your child in making the most of this valuable event.

Yours sincerely

Laura Baker
Assistant Headteacher
Personal Development & Careers
