

Pupil Name:

BEST WAYS TO REVISE IN GEOGRAPHY

You will need to use your **learning journeys** (which are also at the front of the chapters in your revision guide) with your exercise book and revision guide to make revision notes/mind maps.

Do a **little** (spend small amounts of time when you are really focused)

Do it **often** (keep going over it)

Do it **differently** (revise in different ways e.g. Ask someone to test you, write out flashcards, create a memory map, past papers questions)

THE EXAM

Part 1:

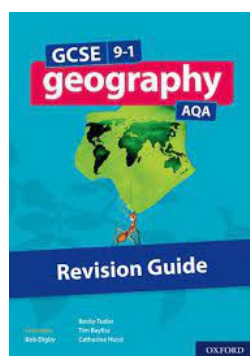

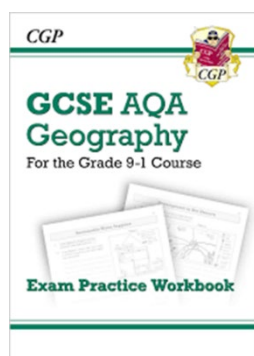

- 1. Paper 1** - Living with the physical environment
 - a. Challenge of natural hazards
 - b. Living world
 - c. Rivers and Coasts

Part 2:

- 2. Fieldwork**
 - a. Unseen fieldwork
 - b. Bridlington

USEFUL RESOURCES

- Your exercise books
- **Sharepoint – Geography – GCSE file – Revision materials.**
- Revision guides
- Vocab lists in your books
- White workbook – you need to complete both chapters
- www.senecalearning.com. & www.quizlet.com – test your knowledge
- Youtube – PlanetLacey Geography Revision
- www.thenational.academy – Oak National has all the lessons if you have been absent

GEOGRAPHY REVISION PROGRAMME

Date	Topic	Case studies	Revision activity – What did you do?	What am I finding difficult?	Tick when done
14/09/26	Rivers	River Tees Foss barrier, York / Somerset Levels	Mind map White book p39-45 Flashcards – revision guide p70-77		
21/09/26	Coasts	Holderness Coast Mappleton	Mind map White book p33-38 Flashcards – revision guide p57-69		
28/09/26	Living World Food chains & webs, ponds Tropical Rainforests Hot deserts and desertification	Malaysia Thar desert Magic stones v Great Green Wall	Mind map White book p18-28 Flashcards – revision guide p39-51		
05/10/26	Natural Hazards Tectonic hazards & plate boundaries	Japan or Chile and Nepal earthquakes	Mind map White book p4-8 Flashcards – revision guide p16-23		
12/10/26	Natural Hazards Extreme weather, tropical storms & climate change	Somerset Levels Typhoon Haiyan	Mind map White book p9-17 Flashcards – revision guide p24-37		
19/10/26 - Exams	Rivers & Coasts Living World Natural Hazards		<u>Test yourself.</u> AQA past paper Seneca Learning Quizlet		
Half term	Bridlington & Unseen Fieldwork		Read through Fieldwork Booklet		

NOTES

GEOGRAPHY REVISION Guide

Use the activities below to guide your revision for each topic. Try to complete one or two revision activities from each topic area before the mocks. Complete 2-3 more before the final exams.

Topic	Revision activity – What did you do?	Tick when done
Rivers	Complete topic quiz sheets (use blue and green book to help)	
	Complete questions in white book revision book p39-45	
	Make fact file/mind map on River Tees landforms – watch PowerPoints in SharePoint to help	
	Make fact file/mind map on Foss barrier, York – watch PowerPoints in SharePoint to help	
	Internet geography read through rivers section and complete quizzes.	
	Complete past paper questions	
Coasts	Complete topic quiz sheets (use blue and green book to help)	
	Complete questions in white book revision book P33-38	
	Make fact file/mind map on Holderness coast Mablethorpe - watch PowerPoints in SharePoint to help	
	Internet geography read through coast section and complete quizzes.	
	Complete past paper questions	
Living World Food chains & webs, ponds and rainforests	Complete topic quiz sheets (use blue and green book to help)	
	Complete questions in white book revision book p18-24	
	Make fact file/mind map on Malaysia - watch PowerPoints in SharePoint to help	
Living World Hot deserts and desertification	Complete topic quiz sheets (use blue and green book to help)	
	Complete questions in white book revision book p24-28	
	Case study fact file Thar desert - watch PowerPoints in SharePoint to help	
	Case study fact file Magic stones v Great Green Wall	
Natural Hazards Tectonic hazards & plate boundaries	Complete topic quiz sheets (use blue and green book to help)	
	Complete questions in white book revision book p4-8	
	Case study fact file Chile earthquake - watch PowerPoints in SharePoint to help	
	Case study fact file Nepal earthquake - watch PowerPoints in SharePoint to help	
Natural Hazards Extreme weather, tropical storms & climate change	Complete topic quiz sheets (use blue and green book to help)	
	Complete questions in white book revision book p9-17	
	Case study fact file Somerset levels - watch PowerPoints in SharePoint to help	
	Case study fact file Typhoon Haiyan - watch PowerPoints in SharePoint to help	
Bridlington and unseen fieldwork	Make a mind map/flash cards on the physical geography investigation in Bridlington	
	Make a mind map/flash cards on the human geography investigation in Bridlington	
	Create a glossary of the key terms associated with fieldwork and learn their definitions	
	Complete past paper questions on unseen fieldwork	
	Complete past paper questions on Bridlington fieldwork
