Revision Sites: The following sites are brilliant for revision:

Youtube Channels

- Tutor2u
- TakingTheBiz

And finally, remember that revision is not just about learning the subject theory. You must know how to write your exam answers.

AO1: Demonstrate knowledge of terms, concepts, theories, methods and models to show an understanding of how individuals and organisations are affected by and respond to business issues

AO2: Apply knowledge and understanding to various business contexts to show how individuals and organisations are affected by and respond to issues

AO3: Analyse issues within business, showing an understanding of the impact on individuals and organisations of external and internal influences

AO4: Evaluate quantitative and qualitative information to make informed judgements and propose evidence-based solutions to business issues.
