

YEAR 13 GEOGRAPHY REVISION TIMETABLE FOR PPEs

Your Geography PPE will be 2 hours 30 minutes and have three sections:

1. Coastal systems
2. Changing places
3. Contemporary Urban Environments

To prepare best for these exams you will be required to do **in depth revision** and **exam practice**. You need to make revision notes every week and this needs to be shown to both your human and physical geography teacher. Follow the attached timetable and use the textbook and your folders to make detailed notes. Remember to do **USEFUL** revision – mind maps from memory, brain dumps, flashcards, practice papers. These techniques will make you think and test your knowledge. Don't just rewrite notes and highlight.
