YEAR 9 TEXTILES

KING JAMES'S SCHOOL

KNARESBOROUGH

During year 9 you will complete 3 units in Textiles:

Sunglasses case | **Quilted bag** | **Fabric Manipulation**

This will be your first unit in Textiles, where you will learn how to work safely in a Textiles room and become confident using some of the key equipment. You will apply these skills to design and make a sunglasses case inspired by the work of Hannah Klaus Hunter:

CONTENT

Develop creative ideas by researching and investigating the work of Hannah Klaus Hunter

Explore ideas by experimenting with different materials and techniques.

Record your ideas throughout your project to show how your work develops.

Create a final piece that demonstrates your ideas, creativity and understanding of visual language.

SKILLS

Research and analyse the work of Hannah Klaus Hunter
