Information on the Music Department

The Music Department offers a tremendous variety of musical experiences for our students, both inside the classroom and through an extensive extra-curricular programme. "Music For All" is our catchphrase and students are encouraged to develop their performing skills on an instrument taught by one of our peripatetic staff, join in one of the 9 ensembles, or sing in one of the choirs.

During the first three years all students undertake a course that is based upon National Curriculum guidelines with work being topic-centred. Students learn about composing and appraising through listening and performing as well as music technology. In Years 10 and 11 students can opt to study the subject to GCSE with Sixth Form courses offered at AS and A Level in Music.

A wide range of instruments are available for class work including twenty Apple Mac computers, using Garageband and Logic Studio and numerous keyboards. There are opportunities for formal and informal concerts, workshops and trips and we are often asked to provide music for charity and social events.

Our reputation for quality music-making is known county-wide.
