KING JAMES'S SCHOOL
KNARESBOROUGH

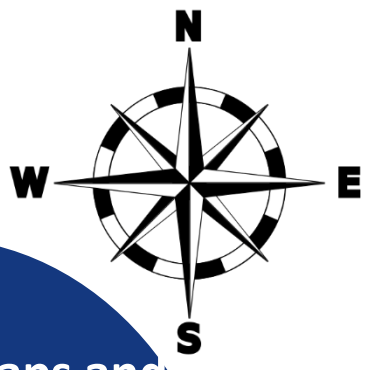

The King James's School Maths Learning Journey GCSE: Foundation Tier

Advanced algebra
Vectors
Kinematics
3D shapes
Advanced probability
Graphs

Simultaneous equations
Area and volume
Trigonometry
Standard form
Inequalities

Sampling and scatters
Advanced percentages
11
Constructions
Maps and bearings

Sequences
Key Skills Statistics
Congruence and similarity
Proportion

Transformations
Straight line graphs
Ratio and Proportion
Percentages
Units

Quadratics
Probability
Formulae and Equations
Circles

Pythagoras

$$a = \frac{v - u}{t}$$

Angles
Functions and Key Skills Algebra
Key Skills Number
10
