KING JAMES'S SCHOOL
KNARESBOROUGH

The King James's School Maths Learning Journey GCSE: Higher Tier

Functions, iteration And proof — **Kinematics** — **Proportionality** — **Advanced 3D shapes** — **Sampling and surveys**

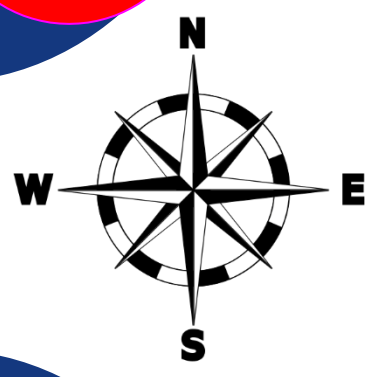

Advanced Trig — **Indices & Standard Form** — **Bounds** — **Other Graphs**

Vectors — **Advanced Simultaneous equations** — **Graphs** — **Further quadratics**

Simultaneous equations — **Statistics** — **Congruence and similarity** — **Constructions & Bearings**

11

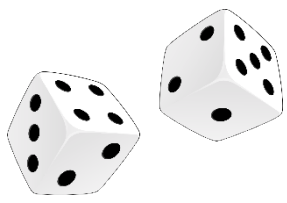

Transformations — **Sequences** — **Linear graphs** — **Percentages** — **Area & perimeter**

Pythagoras & Trigonometry — **Quadratics** — **Probability** — **Circle theorems**

Angles — **Surds** — **Key Skills Algebra** — **Key Skills FDP & Ratio** — **Key Skills Number**

10
